

## Who or what are the Original Christians of the Sermon on the Mount worldwide?

Ever more people all over the world are asking:

Who or what are the Original Christians of the Sermon on the Mount worldwide?

What do they believe?

We believe in the Free Spirit—*God in us, and we in God.*

We believe in the teaching of peace of Jesus of Nazareth in His Sermon on the Mount.

We believe in the eternal All-One God, the God of the love for God and neighbor, of freedom and of unity.

We believe that God, the life, is in all things, in every person, in nature, in the animals and plants.

We believe in the God of the true prophets and prophetesses of God and in His eternal word of revelation, which was and is given to the people at all times, unceasingly.

We believe in the validity of the Ten Commandments of God through Moses, and, of course, in the commandment: *You shall not kill.*

We believe in the Eternal Kingdom of God and not in eternal damnation.

We believe in the teaching of reincarnation, the possibility of multiple incarnations of the soul into a human body, until it returns one day to the eternal homeland.

We believe in the law of cause and effect, as it has been handed down: *What the person sows, the person will reap.*

We believe in the power of prayer in the quiet chamber and in the words of Jesus of Nazareth: *Where two or three are gathered in My name, there am I in the midst of them.*

We are for the Free Spirit of the Sermon on the Mount of Jesus, the Christ;

we are for peace;

we are for non-violence;

we are for the unity of humankind, nature and animals;

we are for justice.

The eternal law of God has no religion, no priests, no pastors, no cults, no sacraments, no dogmas, no ceremonies, no saints.

The All-wise one God in us, and we in God. Just as Jesus, the Christ, taught it: God is within, in you.

Dear brothers, dear sisters worldwide,  
if you feel addressed by this, then get in touch, send us a message, for together, we are a worldwide Original Christian movement for the peace, for the teaching of Jesus, the Christ.

For this, we do not need your whole name and address, only your place of residence, that is, your city and your country. We are all united in the Primordial Community of the Sermon on the Mount of Jesus, the Christ, with people from all countries, in order to work for peace in this world.
